# Speaking Test

## Part 3 High Level Listening

### Part 3 Practice Using Examples to Develop and Support your Answer

Here's a quick reminder of the phrases we looked at in this post and the video.

- When I...
- As for me...
- In my experience...
- In my country...
- I've seen... / I've noticed... / I've heard...
- You can find... / You can see... / You will find...

Thinking of examples before you take your test is an excellent way to prepare for your IELTS Speaking and Writing Test. You already know all the answers to IELTS questions, you just need to think about them!

Once you've thought about and written down some ideas, they will be much easier to remember during your real test. Use one of the phrases from this post to note down some examples related to the topics.

Practice your Own Supportive Examples - Remember, we aren't expecting FULL Part 3 Questions.
