Now you have a fun way to spend free time at school or work, or anywhere else where popular games and fun are blocked. Have fun and thanks for coming :)Page 2 - PreviousNext -Lich Games offers a wide variety of online games suitable for any age. Discover the classic and new games where the characters will introduce you to the action and mystery of the unknown world. Whether you choose single-player or multiplayer modes, we allow you to compete against bots or other players in real time.Games are divided into the following categories: action, adventure, arcade, car, clicker, driving, io games, multiplayer, and shooting.The most preferred game by the fans is Cartoon Stunt Car. There are sports cars designed for crazy stunts, ready to speed up on ramps and avoid obstacles. The drift control will take the driving experience to a new level.In second place is Mob City. Here the plot and the missions are different. The action is full of dangerous situations where you take the role of the city protector. Eliminate the targets with the help of weapons and keep the streets safe.Another exciting game that occupies third place is Fall Guys IO. The primary mission is to control the character as he walks and jumps over a platform made of hexagon parts. You must avoid falling into the water and be the only one who survives to win many coins.Lich Games is the best platform to satisfy your needs if you have a passion for gaming. Try our game for free and connect with players from all around the world. Navigate the endless tunnels of space. Can you survive the challenge? Playing Run 3 is simple, but mastering it is a challenge: Arrow Keys: Use the left and right arrow keys to move your character. Spacebar: Press the spacebar to jump over gaps and obstacles. Stay Focused: As you progress, the levels become more difficult, requiring quick reflexes and sharp focus. Unlock Characters: Try different characters to find the one that suits your play style best. Run 3 is an exhilarating endless runner game set in the depths of space. Players must control a small alien character as they navigate a series of treacherous tunnels floating in space. The game features a variety of characters, each with unique abilities, and offers multiple levels of increasing difficulty. The goal is to run as far as possible without falling off the edge or crashing into obstacles.This is unblocked Run 3 game available in schools, colleges and offices. Endless gameplay with increasingly challenging levels. Multiple characters to unlock, each with unique abilities. Engaging and dynamic graphics that immerse you in the game.
