Like many Joes, Scarlett has substantial variations in its packaging. 14 The G.I. helicopter Joe Tomahawk Goes for over \$350 The Tomahawk is a rare find for G.I. Joe collectors. A sample of Destro's MOC costs over \$600. The cost is greatly reduced due to variations in the file card. There are two different models: the 1983 model bears the G.I. Joe logo, while the rarer version of 1985 bears the Cobra logo. 15 The Rare Refrigerator Mail-Away Worth \$300 Hasbro made a record of cutting cross-promotional tie-ins with G.I. Joe. The reason for the high price of 15,000 dollars is the true rarity of the figure. Introduced the Battle Rotary Arm. This initial edition of the email-away iteration gives the wrong impression of the iconic Cobra symbol on his chest. This probably led to his G.I. Joe-related figure being released as a toast in early 1987. A complete set costs about \$300. From 1987 to 1988, the Tomahawk was packed with a pilot, Lift-Ticket. As a result, he created a shape that looked like Mickey Mouse's ears. 9 Series One Counter-Intelligence Scarlett Has Gone For \$1,300 Scarlett is one of G.I. Joe's original action figures released in 1982. One of the strangest is the manufacturer's promotion by mail to The Fridge, an action figure based on Chicago Bears' iconic defender William "Fridge" Perry. He debuted in the 1993 Series 2 of Action Figures and became an instant hit with his distinctive metal mask. It is difficult to find an out-of-the-box in mint condition, let alone one in its packaging. It comes with removable seats, swivel blades and missiles. A boxed set of this toy if you can find it Unoped, Bludd comes out for over \$900. Unlike many other Joe figures of the 1980s, Baroness saw no re-launch. With full packaging, this number has been sold for more than \$ Some races contained offers for the Cobra Commander mail-away, while others featured prominently o ,juqA .7891 me uoertse odnauq 001\$ odacrem o arap odidnev iof euq ocin^WA e emrone odeuqnrirb mu ©A tnaifeD siaicapsE solucÆV ed otnema\$AnaL ed oxelpmoC O .seled mu ©A ofÆn tnaifeD o sam ,Åa rop eoJ .I.G od sobob solucÆv snugla metsixE 008\$ roF oG daolyaP & potdraH sretcarahC 11 .rebmiT obol oriecrap ues moc odahlerapme ©A seyE ekanS etse ,ahnil ad edadiralupop ad egua on odizudortni .sona rop ,sremrofsnarT so ,ralupop ahnil artuo aus moc snu marezif sele .olpmexe roP ,soir©As serodanoiceloc arap esseretni ed ofÆs setse sodoT .5891 me lwoB repuS o marahnag sraeB so euq sioped larutluc onem 'Ånef mu iof yrreP .ofÆ\$Aazinagro ad seredÅi serohlem sod mu ©Å arboC etnadmamoC o ,aicp©Åni aus ad amugla ed rasepA 000,5\$ atsuc arboC etnadmamoC od æsuoM yekciMå etnairav A 3 .06 sona soa atnomer euq odagel mu moc ,air³Åtsih ad sodeuqnrirb ed sahnii seroiam sad amu ©Å eoJ .I.G .001,2\$ atlow ed saossep sa acoloc adadrac artsoma amU 9\$SU ed lanigro ojevav ed otsuc mu moc 0891 ed adac©Ad ad sodeuqnrirb seroiam sod mu Å ,eoJ .I.G od sodeuqnrirb so sodot ed mit o ©Å ggalF .S.S.S.U ehT 000,4\$ tÅ stratS ggalF .S.S.S.U ehT 4 .orbsaH ad sarugif ed ahnil avon ad etrap es-uronrot meganosrep o ,oierroc oa odanifnoc etnemlanigro .lanigro ahnil ad siapel siam sarugif sad amu ©Å ele .ossid m©ÅIA .08 sona sod arutluc ed omin 'Ånis ©Å eoJ .I.G .reileK hcirR rop 1202 ed olssgo ed 62 me odazilauTA 'mroc,ejoP me ovuqra ocitsi,ÅnnaI od aisetroc ofÆs oxiala: snegami sad satiaM ,etnemasonigirev ribus a maunitnoc sacin 'Åci e sarar etnemlaicepse sa\$Aep samugla ed so\$Aerp sO .anutrof aneuepp amu atsuc sohi ossi ,otnujnoc mu ratelpmoc mereuq serodanoiceloc eS .1202 me yaBe on 056,1\$ rop odidnev otelpmoc etocap od AFA ofÆ\$Åaciffissalc moc ofÆsrev amU .ofÆ\$Åa ed socenob sues ertne acenob amu maireuq ofÆn soninem sO .edadirar amu ©Å meussop sele euq o es etnemlaicepsE .edadirar aus Å odived 052\$ a 001\$ ertne matsuc xob-ehT-fo-tuo kwahamoT soledom so omseM ,ovuqra ed sepÅtrac setnererif He came by mail with nine other figures in a transport case. 13 The 1983 destroy Goes for Over \$ 600 destroy is one of the best snake villains in the mythology of G.I. Joe. However, this continues to be the goal for many collectors. Much of the vintage line G.I. Joe, particularly the era the real American Hero, commands a secondary market. 6 Snake Eyes Version 2 Goes for \$ 2,100 Although the first version of 1982 is also sought after and expensive, the second version of 1985 is iconic Snake Eyes. One of the rarest line figures, a complete graduate set of the mail number costs almost \$ 5,000. Thus, the number of action could actually hold the weapons that came in their packaging. Prize "Ximo: Å, G.i. One of them was sold on eBay for \$ 3,500, Å, and is uncommon to find loose or invisible versions of the toy nowadays. Okay, because it gave the manufacturer the chance to provide another advance of construction for your four sést rie toys: the ball of the neck. In fact, a complete version was sold on eBay for about \$ 1,800. This means that it was originally launched with the original straight arms, not different from the best Vintage Action Figures of Star Wars. 8 A NAUFRICE rated by AFA is worth \$ 1,650. Although introduced in comics and G.i. Johen, in 1984, Hasbro took another year to adapt the shipwright into an action figure. 7 Carded version of the Baroness Goes for \$ 1,700 Baroness played a huge role in the Version of Marvel Comics of G.I. Joe.Å, today, she would have been considered one of Marvel's best spies. An instantaneous icon of your introduction of three months in 1984, the baroness is one of the key figures in snake and one of the most sought after action figures of the years Hasbro often creates unique products for a retailer as an incentive for sales. In the second season, she was re-launched with the Swivel-Arm Battle Grip. A sample of graded carding costs about \$1,300. This gives the Shipwreck the power to move its head up and down, as well as back and forth. Once assembled, the carrier is more than seven feet long. A complete box can cost \$4,000. However, she was dressed in different colors by that time. Several variants of the original action figure exist, including with and without the rotating grip of the battle arm. Introduced in 1986 as part of the number line of Joe's Five Series, it was discontinued in 1988. It was available in 1984 and 1985 and did not return until 1997. Launched in 1984, Airborne was discontinued a year later. The lack of heavy production on the figure, combined with a large variation in the color of its medical baggage the white version is the first and most rare Å ÅÅÅ Thus, this makes loose and boxed versions the Holy Grail for many collectors Joe. The Flagg has never been re-launched, unlike many of G.I. Joe's classic vehicles. Launched for the first time in 1967, the nurse did not perform well. In 1984, they gave Sears one of the rarest pieces in the entire A Real American Hero lineup. The main reason is that they came with a lot of small accessories, such as a microphone and umbilical cord, which easily got lost. Loose sets of these figures cost more than \$800. However, even the figures included with the set, Hardtop & Payload, go for astronomical sums themselves. The series, G.I. Joe: The film, the action figures and their vehicles bring back memories of childhood. Those who saved their Joe-related toys may have a fortune under their noses.
