# Ancient greek words meanings

What are some greek words. Beautiful ancient greek words and meanings. Ancient greek words meanings in english.

The ancient Greeks did not believe in one God. Like the ancient Egyptians and Romans, they believed in a pantheon of gods and goddesses, where there was a god for every aspect of human existence. According to Greek mythology, the gods lived on Mount Olympus, the highest mountain in Greece and where the Olympics took their name. The gods and goddesses of ancient Greece had temples and statues built for their worship. The ancient Greeks also inspired tales in which many of their gods were present, and those tales still have an impact on Western heritage and language to this day. The most powerful god of all was Zeus. He was king of the gods on Mount Olympus, ruling both the world and heaven. In addition to being the revered ruler of all gods and men, Zeus was a god of heaven, and as such was responsible for time. Especially thunder. In many pieces of art, including sculpture and painting, Zeus is depicted with lightning in his hand. According to Greek mythology, if you crossed Zeus, you might be struck by that lightning bolt. Flory/Getty Images as the god of art and music, Apollo is often armed with an old instrument called the lyre. He was also one of the most important gods of ancient Greece, pronouncing many things. Apollo is also the God of medicine, the sun and knowledge. A myth tells of Hermes, the Messenger God, and Apollo's little brother, creating a turtle lyre. Before he did, he stole and hid the Apollo cattle. When Apollo heard the music from the new lyre, he knew it had to be his. He then forgave Hermes for stealing the cattle and offered them in exchange for the instrument. LordRunar / Getty Images Poseidon is the god of the sea and storms. He was the brother of Zeus and Hades. In particular, he was a very vengeful and evil god, armed with the trident that artists explain him with this day. When he is angry, legend has he would hit the ground with his trident, causing earthquakes, sea storms and tsunamis. For hundreds of years, sailors have relied on his goodwill for a safe passage. Some sailors still do that today. ESTike / Getty Images One of the most remarkable Greek gods is Athena, the daughter of Zeus. The ancient Greeks believed that she is the god of wisdom, courage and war, for whom she is most connected. According to Greek mythology, Athena was born from the forehead of Zeus. As one story tells, Zeus swallowed his mother, Metis, whole, worried that a more powerful child would be born. Although Metis was nowhere to be found, the baby was born. Athena is also the goddess of law and justice, and so is depicted outside numerous courts of law around the world. Scotto72 / Getty Images Of all the ancient Greek deities and goddesses, Dionysus might be the hardest to explain. He was the god of wine, fertility and ecstasy. Besides that, it was the Of mismatched and strangers. He was the son of Zeus and a deadly mother, making him the only one of the gods to have human humans Dionysus was a joyful God who felt emotions like all human beings. He did parties, traveled to the world, and taught man like making wine. Because of what, a worship was formed around him. Brazil2 / Getty Images The ancient Greeks believed that Aphrodite, the goddess of love, was created by the sea foam off the coast of Cyprus. Aphrodite was the most beautiful of the gods, and the beauty of her unleashed wars among the gods. She had many lovers, both deadly and immortal, even when she was married to Hephaestus, the God of fire. Aphrodite did not believe in the virginity or in bed with one person. Furthermore, the ancient Greeks loved it for this. 221a / Getty images one of the many children of Aphrodite was eros. The name of him is the basis of words as â â â â â â it eroticâ », as was the god of desire and sexual attraction. Furthermore, he was also the protector of homosexuality. Originally, Eros was presumably depicted as a bandaged man with an arch and an arrow. However, this also became the inspiration for the image of a cupid. Therefore, in some cases, he appears as such. According to legend, Eros's arrows can make any man fall in love. Track5 / Getty Images If Athena was the goddess of the war strategy, her brother of her, Ares, who represented violence. For this reason he was known as the God of war. Despite the physical stature, strong and aggressive of him, Mars was presumably a coward. One of the least popular among the ancient Greeks and their mythology, there are not many stories about Mars who don't make it a joke. Xirurg / Getty images queen of the gods and, she was the goddess of women and family. The ancient Greeks venerated a lot of her, with some of the most important temples in the country that were built for her. Although she was the queen of the gods and then his wife of Zeus, she was also her sister. She hated all her husband's lovers and then gave her anger on adult husbands. It was also known as the Queen of Heaven, and Zeus was afraid of her. Wjarek / Getty Images Artemide is the goddess of hunting and moon. She was the sister's twin of Apollo, even if mythology says she was born the day before him. As a protector of the chastità and nourishing of youth, many young women loved it. However, in Greece wider, she was seen as a secondary god more than her twin brother. Artemide was happier when she was in the woods, to hunt and protect the animals. For this reason, the statues of her are usually accompanied by a dog or a deer. Sislavio / Getty Images Image: PeopleMages / E + / Getty Images We know a lot of legends, triumphs and pitfalls of Greek mythology, even without a single test source. Christianity has the Bible to contact, but for Greek mythology, it does not exist. But despite everything, the oral storytelling has come a long way, and thanks to this, we can look at all the different gods and goddesses and fantasize about who we would be and what kind ofWe would have lived with all that power. Would you have been an Olympian? A minor? Now it's time to find out! There is such a series in the gods and goddesses.
