Para requerer o alvará, os interessados em atuar nas atividades devem se inscrever até o dia 29 de setembro através do site da Prefeitura de Florianópolis. Os participantes credenciados poderão promover o comércio em pontos fixos da faixa de areia, através de equipamento fixo removível, das seguintes atividades: comércio de milho verde, coco verde, caldo de cana, suco, água e refrigerante, cerveja em lata, energético, coquetéis, artesanato, artigos de praia, chapéus, redes, massagem e terapias corporais, capirinha e alimentos.Os ambulantes com alvará estarão autorizados a atuarem nas seguintes praias: Da Coluna de Fabio Gadotti (fabiogadotti.net, 24/20/2024) As secretarias de Habitação e Desenvolvimento Urbano e de Urbanismo e Serviços Públicos de Florianópolis lançaram edital para renovação dos alvarás dos ambulantes que trabalharam na temporada passada e que pretendem voltar às praias a partir de dezembro. A tendência é que o procedimento simplifique e agilize o processo. O modelo do verão 2023/2024, que colocou mais vendedores nos balneários, foi aprovado e segue valendo. Com uma mudança: cada praia terá uma equipe de fiscalização fixa, com o objetivo de coibir com mais eficiência a atuação de irregulares. Foi o ponto fraco na última temporada.
