You've also made our relationship fun and enjoyable.Thank you for the sweet memories we've shared together from when we first started dating to now. Your coming into my life has been truly sublime. Have a wonderful birthday!Forever yours,(Your name)Write Your Own Letter From ScratchIf you're still unsure about what to write or you want to add more to the letters you saw above, then you should consider answering these questions or talking about these things. You can bulk up your letter and bring a smile to your husband's face all in one go.Your Favorite Memory: What's your favorite memory with your husband? Was it your first date? The special getaway you went on? The time that you got caught in the rain and ended up at a dive bar in fancy clothes instead of the expensive dinner date you had planned? Describe your favorite memory using as many specifics as you can remember and why it meant so much to you! Looking Forward: What's something you are looking forward to doing with your partner? Is there something you've always wanted to do? Make plans for that thing! This could be going to a concert, recreating an event that's special to you, going thrill-seeking, having a quiet night in, etc. The Thing You Appreciate Most: What do you appreciate the most about your partner? His eyes? His smile? His laugh? The way he holds you? The way he somehow knows you've had a bad day and somehow has your favorite dinner ready by the time you get home? It's probably a great idea to include both physical compliments (ones about your husband's appearance) and personality or habit compliments (like how your partner has a cheerful attitude or always picks up after himself). Specific Compliments: The more specific the compliment, the better! So instead of "I love your eyes," you might say, "It's so easy for me to get lost in the deep mahogany of your eyes. I can feel the love you have for me warming me and washing over me every time you lock eyes with me, no matter how briefly." © 2014 Oyewole FolarinCommentsMatlofly on May 06, 2020:Thanx this is super niceShabana on May 11, 2019:Many more happy returns of the day my little sweety.....lovely....honey.....my crazy husband.....Princess Aderah on December 01, 2018:Nice messagesThanksShAHAN on September 04, 2018:sweethear♥Hema from Hyderabad on August 20, 2018:Nice Article.Thank you for sharing Information.Zeenath khan on August 14, 2018:Many many happy returns of the day my dearest hubbySandeep on April 03, 2018:Happy birthday my sweetheart ♥Shanti sattiypiriian on December 05, 2017:Happy birthday to my lovely husbandchirag on November 22, 2017:I love so much my husbandsonmwiya on November 12, 2017:I love so much my dr sweet husbandSherinda on September 27, 2017:Happy 52nd birthday hubby..... much love always!
