Goodman group annual report 2018

It's not enough just to desire greatness. We must commit ourselves in the long term with determination and determination. At Goodman, we understand that the world is constantly changing and to be part of the future we must remain agile and open to new ways of working. This is how we aim to give our customers the space they need to succeed by providing sustainable solutions and unparalleled services in top quality locations. We actively pursue the best people. And let's give those people the space they need to grow and push us all a little further. We care about the future of the planet and all the people on it. We believe sustainability is our responsibility and we choose to work with like-minded people and organizations. That's one of the reasons we work with charities around the world who are trying to make a difference for those who can't always see a way out. Greatness is not a singular quest. It is not even easy to reach. But at Goodman, our vision is to make it an opportunity for everyone, creating space for everything we do. Goodman is a global industrial property group. We own, develop and operate industrial properties in seventeen countries. Through our partnerships, institutional investors have access to our specialized investment and real estate management services. Our decisions are based on local knowledge and are based on more than thirty years of experience. Goodman thinks big and long-term. We have the teams, scale, expertise, infrastructure and capital to nurture long-term relationships with clients around the world, and the flexibility to adapt to their local business needs. We serve a diversified customer base with specialized experience in: we have built our model permanent development+management with customers at the center for one simple reason: make room for them to succeed. Using this model, everything we do is based on their success.
